Description of Project and LEA's Preliminary Determination

The San Timoteo Sanitary Landfill is located at 31 Refuse Road, Redlands, CA 92373. On March 3, 2014 the LEA received, from the operator of San Timoteo Sanitary Landfill, a Solid Waste Facility Permit (SWFP) application package to amend the Joint Technical Document (JTD). This amendment was submitted to allow the use of a portable hydraulic truck tipper and to extend the time frame usage of tarps as cover. No other changes to the SWFP are under consideration at this time. The LEA finds that the proposed change is consistent with all applicable certified and/or adopted CEQA documents, is consistent with State Minimum Standards, and does not conflict with the terms and conditions in the current solid waste facilities permit. The LEA approved the amendment on March 25, 2014.
